

Out of the Snow

- The Amazing Rhythm Aces

INTRO:

D G D D A D

VERSE:

D G D
Go away, go away, you cold north wind
D A D
Blowin' my muffler 'round and 'round
D G D
Pure white powder blowing
D A D
Coverin' up the icy ground
D G D
I'm a slippin' and a slidin' down this dead
end street
D A D
Like a sheep who is lost from the fold
D G D
I've been on the land and I've been on the
sea

D A D
I ain't never seen a night so cold
D G D
Suddenly a face at the window
D A D
Looks like someone I might a seen before
D G D
Thought it musta been my imagination
D A D
When suddenly she opened up the door

CHORUS:

G C G
And I never expected to see you again
G C G
Must a been seven years ago
G C G
Now that you're here, why don't you come
in
A D
Don't stand outside in the snow

INSTRUMENTAL:

D G D D A D

VERSE:

D G D
She sat me down in that old rockin' chair
D A D
And she threw on another lump of coal

D G D
Said what's a Southern boy like you doin'
here

D A D
Where the winter gets so long and cold

D G D
My history's a short one to tell

D A D
I've been travelin' all these seven years

D G D
I follow the music and the money around

D A D
And that's what I'm doin' up here

INSTRUMENTAL:

G C G G C G
G C G A D

VERSE:

D G D
She said I came up with my husband
D A D
He wanted to get away from Tennessee
D G D
He's up somewhere in the Rocky Mountains
D A D
But it just got too cold up there for me

CHORUS:

G C G
And I never expected to see you again
G C G
Then again, you just never know
G C G
You better stay here until the weather
clears
A D
It's just too cold to be out there in the snow
