DEATHS.

Orville Mantz, son of Mr. and Mrs. Harry E. Mantz, age nine months, died on Tuesday, March 2d, 1909, and was buried on Saturday afternoon, March 6th in the cemetery adjoining St. Peter's church, Mahoning. Rev. C. F. Freeman officiated.

On Sunday, February 28, 1909, Moses Arner, a very highly respected citizen, and a member of St. Paul's Reformed church, died after suffering for sometime with general debility.

Mr. Arner was what we might call one of the older men of the church. These men who helped to organize St. Paul's and guided her through times when things were not as pleasant and prosperous as they are now, are passing, one by one, to their reward.

By his even temperament and christian hopefulness he has left his impression on the life of our church as well as of our community. Mr. Arner was always faithful in whatever capacity he was called upon to serve the church, and his passing from our midst will be a loss to our church which will be felt for some time; but, the memory of his quiet, christian character will always be an inspiration to us. Mr. Arner was 72 years, 5 months and 23 days old.

He leaves a wife—Elizabeth (nee Schneider), and four sons—Frank, Joseph, William and George. He was buried in the Grand Army cemetery on Thursday afternoon, March 4th, 1909. His pastor, Rev. C. F. Freeman, conducted the services.

Notice.

All persons who wish to join the Reformed church on Easter, and do not belong to the catechetical class, will please meet the pastor on Sunday afternoons at 2:30 p. m., in the church.
