

and finish at "K". Repeat with other half of lace starting toward "C" and ending at "L". Fasten the ends as shown and burn the ends close with a match to prevent them from pulling out.

HOOKED BELT SPLICE—There are a number of good belt hooks on the market that can be used for fastening belt ends

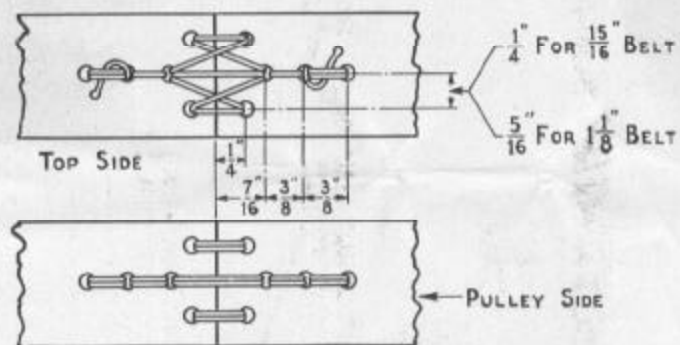

Fig. 11. Spacing of holes for $\frac{15}{16}$ " and $1\frac{1}{8}$ " belts.

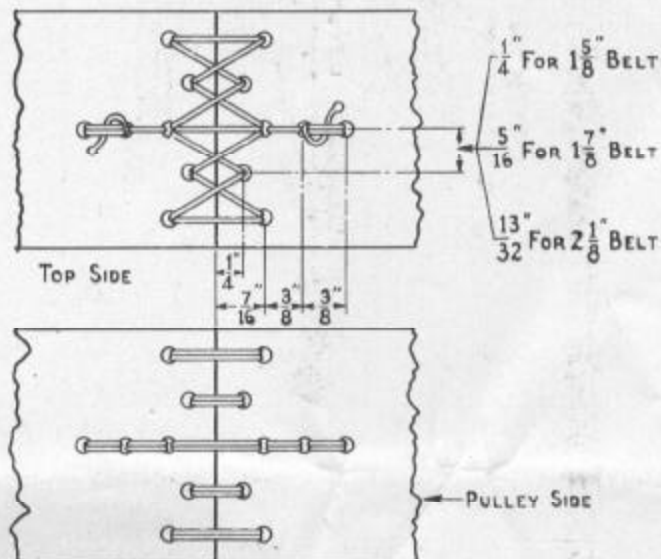

Fig. 12. Spacing of holes for $1\frac{5}{8}$ ", $1\frac{7}{8}$ ", and $2\frac{1}{8}$ " belts.
